PROFILE

3rd-year student founder who builds and ships. From a ₹50K/month revenue DPIIT-recognized brand to full-stack web apps and healthcare platforms. 3+ years freelancing across dev, design, and marketing. The goal is always the same: take products from zero to live, independently.

EXPERIENCE

Founder & CEO

2025 – Present

RASVRA (Zevegan Private Limited) · Varanasi

Freelance Web Developer & Designer

2023 – 2024

Independent · Various Clients · Remote

- 3+ years solo freelancing, delivering e-commerce stores, portfolio sites, dashboards, and landing pages across multiple client engagements.
- Handled complete project lifecycle: design (Figma) → development (HTML/CSS/JS, WordPress, Webflow, Next.js) → deployment.
- Designed logos, brand kits, and pitch decks for 5+ clients across D2C, education, and healthcare sectors.

Freelance Social Media Manager & Content Writer

2022 – 2023

Independent · Various Clients · Remote

- Managed Instagram, Facebook, and LinkedIn for 3+ clients: content strategy, copywriting, scheduling, and analytics.
- Wrote long-form blog articles, SEO content, product descriptions, and brand copy for e-commerce and service businesses.

PROJECTS

Vaidlink · Healthcare ERP Platform

In Development

Next.js 14 · TypeScript · Tailwind CSS · Supabase

Full-stack clinic ERP for doctors and small clinics: patient records, appointment booking, and medical history tracking. Patient app enables online booking, health record storage, and direct doctor connectivity. UI/UX designed independently.

Meow · Anonymous Social Networking App

Shipped · github.com/satyamversetiwari-crypto

TypeScript · Next.js · PostgreSQL · Vercel · Groq API

Full-stack anonymous social platform built and deployed solo: authentication, high-quality UI/UX with animations, niche-based rooms (subreddit-style), wave-based group messaging, AI-powered feed via Groq API, and real-time news verification via news agency APIs.

RASVRA · Full Brand & Digital System

Live · rasvra.com

Next.js · Tailwind CSS · Supabase · Figma · Adobe Suite

- Built and launched a DPIIT-recognized spiritual FMCG brand from scratch: product R&D, packaging, brand identity, and GTM strategy.
- Sold 200 units and generated ₹50,000 revenue in the first month of product launch.
- Designed all brand assets: wordmark, packaging, and digital presence; built and deployed full website.
- Actively working on new product R&D and food formulation pipeline alongside tech development.
